Goal: Mental Health

Strategy 2: Enhance the Mental Health Workforce
Current/Future Workforce Development Objectives

- Needs assessment of current behavioral health/mental health and substance abuse providers in Delaware
- Influence graduate school curricula to reflect SHIP initiatives and current needs
  - Promote certifications in addition to changes in curricula
Current Workforce Development Objectives

- Increase access to training resources related to behavioral healthcare
  - Alcohol and other drugs
  - Models of integrated behavioral and physical health care
Future Workforce Development Objectives

- Increase number of middle and high school students interested in careers in mental and behavioral health
- Increase number of college undergraduates interested in and prepared for careers in behavioral healthcare
- Promote the need for and development of a medical school in Delaware
